Community Development Department  
Town of Parker  
20120 East Main Street  
Parker, CO 80138

Regarding: Disclosure Letter of Known Hazards on Site  
Name of Project: Cottonwood Highlands Filing 7

As applicant for the above referenced project, we understand that Town staff and its consultants may need to visit the subject property for the purpose of observation, assessment, measurement or analysis of the property related to the land development request we have submitted. Consistent with the Town's Risk Management policies, the purpose of this disclosure letter is to advise the Town of any known Geologic, Biologic, or Physical Hazards on site, or of vicious animals present on site.

We are therefore advising the Town that of the best of our knowledge and understanding regarding the subject property, there are no known hazards on site for which Town staff would need to take precautions before entering the property.

Should you have any questions or require clarification of the above referenced information, you may contact us using the information below.
